## SUMMARY

Full-Stack Web Developer with a passion for front-end and life-long learning. I recently earned a bootcamp certificate in full-stack web development at The University of Denver. My newly developed skills include: HTML, CSS, Javascript, Jest, MySQL, NoSQL, Express, Node, MongoDB, Mongoose, React, MERN, JQuery and Handlebars. I became well-versed in Visual Studio Code, Github and Heroku. I am best known for fastidiously enhancing everything I get my hands on. With an easy-going nature mixed with my need for excellence, I am a well-balanced team player and look forward to continuously learning with and from other people.
