

Amanda McBee

SUMMARY

Full-Stack Web Developer with a passion for front-end and life-long learning. I recently earned a bootcamp certificate in full-stack web development at The University of Denver. My newly developed skills include: HTML, CSS, Javascript, Jest, MySQL, NoSQL, Express, Node, MongoDB, Mongoose, React, MERN, JQuery and Handlebars. I became well-versed in Visual Studio Code, Github and Heroku. I am best known for fastidiously enhancing everything I get my hands on. With an easy-going nature mixed with my need for excellence, I am a well-balanced team player and look forward to continuously learning.

EXPERIENCE

Frozen Smoke - Manager

Gunnison, CO • 03/2021 - Current

- Conducted inventory counts by assessing current state of inventory integrity against target accuracy levels and tracking variances.
- Evaluated store performance by receiving, analyzing and incorporating feedback from store inspections to implement action plans for improvements.
- Monitored supplier operations to verify quality, delivery schedule and conformance to contract specifications.
- Trained employees on additional job positions to maintain coverage of roles.

Green Dragon - General Manager

Breckenridge, CO • 09/2018 - 11/2020

- Established clear performance goals and metrics for revenue, P&L, customer service and customer retention.
- Built and maintained loyal, long-term customer relationships through effective account management.
- Complied with company policies and government regulations to prevent and detect rule violations and protect organization from fines and lawsuits.
