SUMMARY

Full-Stack Web Developer with an affinity for the front-end and life-long learning. I recently earned a bootcamp certificate in full-stack web development at The University of Denver. I am best known for fastidiously enhancing everything I get my hands on. With an easy-going nature mixed with my need for excellence, I am a well-balanced team player with attention to detail.

TECHNICAL SKILLS

Languages: HTML, CSS, Javascript, Jest, MySQL, NoSQL, Express, Node, MongoDB, Mongoose, React, MERN, JQuery and Handlebars.
Applications: Visual Studio Code, Github, Stripe and Heroku.

PROJECTS

Recipe App | https://github.com/amandajean007/AAA | https://amandajean007.github.io/AAA/
- In a world where it is becoming increasingly important to be careful about spreading germs, going out in public less could mean less sick time. This app is helpful for busy people who want to make dinner but do not want to go to the store for ingredients. You can search for a recipe in a matter of seconds that uses ingredients you already have.
- Responsibilities: Controlling Github and Routing.
- Languages: HTML, CSS, and Javascript.

DinDin | https://github.com/amandajean007/Din-Din | https://secure-crag-98297.herokuapp.com/login
- WIth many restaurants going out of business or having dine-in restrictions, we are losing some of our favorite foods. WIth this app, you can pay for recipes that come from your favorite restaurants. Every month new recipes are available to save to your favorites and make comments on.
- Responsibilities: CSS and Github Controller.
- Languages: HTML, CSS, and Javascript.

PandaBets | https://github.com/amandajean007/panda-bets | https://panda-bets.herokuapp.com/
- Now that sports betting is legal, we need a quick and easy way to make it accessible to the public and make sports betting against friends even easier. With this app, you can connect and bet with friends and make payouts simple.
- Responsibilities: CSS, Github Controller, routing, connecting APIs.
- Languages: HTML, CSS, and Javascript.

EXPERIENCE

Manager   April 2021 – Current
Frozen Smoke Dispensary   Gunnison, CO
- Conducted inventory counts by assessing current state of inventory integrity against target accuracy levels and tracking variances which led to a less than 1% in variance two quarters in a row.
- Evaluated store performance by receiving, analyzing and incorporating feedback from store inspections to implement action plans for improvements, driving sales by 25%.

Store Manager   September 2018 – December 2020
Green Dragon Dispensary   Breckenridge, CO

- Established clear performance goals and metrics for revenue, P&L, customer service and customer retention increasing net profit margin by 5% for the year 2020.
- Built and maintained loyal, long-term customer relationships through effective account management.
